Santa Sleigh Volunteers Needed

This is the last year our current organiser will be running the Friends of Thomas Coram Santa Sleigh night, so we're looking for someone to take the reins next year. The role— recruit helpers and be the main contact (the Rotary Club does most of the organising). Fancy giving it a go? You can shadow this year to see how it works— just get in touch!

We also need volunteers to help collect donations during the Santa Sleigh to cover the George Street area.
