Meet the new FOTC trustees!

We're delighted to welcome three new trustees to the FOTC charity board! Their experience and enthusiasm will be a fantastic addition as we continue working with the TC community to raise funds that support and enhance children's learning and wellbeing.

Shape the future of FOTC

We're looking for another trustee to join us to help keep things running smoothly at FOTC. This could include supporting our platforms and systems, coordinating ongoing activities (like grants, Easyfundraising and Vinted), or helping steer our strategy — though we're very open to people shaping the role around their skills and interests.

We're also on the lookout for Leads for our big "Hero Events" (the Quiz Night, Summer Fair, etc.) and plenty of volunteers for everything from social media and poster design to crafting, planning and more.

Could this be you?

Dress Down Day for a Hamper Donation

Fri 21 Nov

All we ask is a donation for our Christmas hampers to support FOTC fundraising. Please send in new/un-opened, in-date items — sweet treats, festive goodies, or alcohol.

Santa Sleigh Volunteers Needed

This is the last year our current organiser will be running the FOTC Santa Sleigh night, so we're looking for someone to take the reins next year. The role— recruit helpers and be the main contact (the Rotary Club does most of the organising). Fancy giving it a go? Get in touch to shadow this year to see how it works.

We also need volunteers to help collect donations during the Santa Sleigh to cover the George Street area.

📍 **George Street area** 🕐 **9th Dec, 5:30-8:00 pm**
