PUPIL PARLIAMENT NEWSLETTER

Autumn 1

PUPIL PARLIAMENT

Welcome back! We hope you have had a lovely half term! We have redesigned our school council set up and renamed as Pupil Parliament. We meet each week to discuss our focus of the term, any important dates and any suggestions from our classes. This term our focus is resilience. We have spent a lot of time discussing how we can encourage resilience across the school. We delivered an assembly to the whole school to discuss what resilience is, how we can become resilient and what we, as a school, are going to do. The last two weeks before half term, we were gathering feedback from our classes to build a picture of our TC identity and what it is like to come to TC. We will be working with Miss Hill to build a clearer picture on the TC identity. Classes asked for a variety of different equipment for break and lunchtimes. We are in the process of making and ordering a puzzle box for LKS2 and UKS2 playgrounds. These include some of their suggestions of puzzles, board games and colouring.

RESILIENT RISER

We have introduced a new award called "Resilient Risers", where staff put names in a bucket of children who have been resilient. These are brought to Friday's worship, where someone's name is pulled out. This is our resilient riser! Their name will appear on our resilient board and they will receive a certificate. They will also receive the weekly trophy to sit on their desk for the week. Keep an eye out for who our weekly winner is by checking out Miss Hill's newsletter.

IMPORTANT DATES

Children in need - Friday 15th November

Sponsored run - We will be doing a three lap run around our school field at lunch time, which is an ***optional event***. If you would like to take part please ask people to donate using our just giving page!

Gladiators assemble - Come dressed as your own gladiator superhero with your own name and superpowers. If you'd prefer not to dress as a superhero, please wear spots! £1 donation to take part, otherwise please come in uniform.

PLEAS TO PARENTS

A few classes had requested having parents come in to read to their child's class, as a mystery reader (where their children do not know they are coming in). If this is of interest to you, please email the office, with the subject line FAO Mrs Griffiths.
