Notices and reminders

Jequirity bean bracelet medical alert – see attached

★★★★★ **Congratulations** to Janet Tillett and our catering team from Hertfordshire Catering on achieving a maximum 5-star rating at their recent Environmental Health visit. It is a great reflection of the high standards required to receive such a good report and rating.

You should have your appointment times for our **curriculum consultation evenings**. Please remember, all your son/daughter's books will be available for you to look at, so it might be worth coming a little before your first appointment, unless you have a gap when you could look at them during the evening. Lisa MacGovern, our School Family Worker at Berkhamsted Local Partnership Family Services, will be available at both consultation evenings this week for families to see what she can offer... or to just say hello!

Hertfordshire County Council has teamed up with NHS Hertfordshire, district councils and the voluntary sector to secure a £1/2m grant from the government to help vulnerable Hertfordshire residents to **keep warm and stay well this winter**. If you are finding it difficult to keep your home warm or are worried about a friend, neighbour or family member this winter, get in touch with HertsHelp on 0300 123 4044 to find out what extra help might be available to you/them.

A reminder that the school will need notification of any **music lesson changes/cancellation** for the Summer Term in writing by Mon 6 February 2012. Many thanks.
