Dear parents/carers,

Christmas Card Project

Following previous successful years we will again be using Art Projects for School Ltd to generate Christmas cards designed by the children at Thomas Coram CE School. This is a chance for our pupils to create their own personal Christmas Card. Today your child has been given a blank piece of A4 card for completing their Christmas masterpiece, also an order form to order cards. The cards will be created into an A5 size Christmas Card.

All completed artwork, orders and payment **MUST** be returned to school by **Thursday 6 November**.

Use these guidelines to help create the best results for the artwork to be printed:

- Felt tips create the best results
- Only felt tips, pens, pencils (pencils must have deep colours) and poster paints should be used for the artwork
- Artwork can be either Portrait or Landscape
- Do not use a black background
- Do not use glitter or any glue
- Do not staple the templates
- Do not fold the templates

Your card could be religious, secular, or a wintry scene. One card with a Christian theme will be chosen as the school's official Christmas card for this year.

Have fun and enjoy creating a wonderful Christmas Card.

Yours sincerely
