

5 November 2014

Dear parents/carers

Section 48 (Church school) inspection

We have been informed of the Church school inspection of our school on Friday 7 November 2014. This is a statutory inspection which all Church schools must periodically have – our last was in September 2009. Inspectors will look at everything to do with the distinctiveness and effectiveness of the Christian character of our school, including leadership; religious education; worship; spiritual, moral, social and cultural development; and links with the local community.

Inspectors will observe lessons and acts of worship, analyse data and talk to pupils, staff, parents and governors.

This is a great opportunity to supplement our Good Ofsted last November (2013) and really show what makes our church school such a special place in which to learn, pray and grow.

The inspection culminates in a written report. We will, of course, let you know the outcome of the inspection and share the report once this is published, a few weeks after the inspection.

Yours sincerely

Mr R Halls
Headteacher
