*In this modern nativity play, a very busy midwife who never misses an important birth is extremely excited when she hears that a king is about to be born in Bethlehem. She rushes out into the night in search of a shiny golden palace fit for a king. Her donkey, Steve, doesn't think he's ever heard of Bethlehem Palace, but the midwife is in no mood to listen – where else would a king be born?*

*On reaching Bethlehem, the townspeople, shepherds and kings that they come across haven't heard of Bethlehem Palace either and the midwife starts to panic. However, with the help of some gospel-singing angels and a very bright star, the midwife is led to a humble stable to find the very special baby already waiting for her.*

**The Box Office is now open!**
