Dear parent/carer

Our school nurse will be visiting during the week commencing 8 June to talk to the Year 6 pupils about body changes and personal hygiene. These talks are fairly informal and our aim is to reassure as much as to educate.

Please be kind enough to let us know in writing in their school planner/contact book by Tuesday 2 June if you do NOT want your child to participate in the talks.

Should you have any questions, please don't hesitate to contact us.

Yours sincerely

Mrs Adlington
