Dear parent/carer

Body changes and personal hygiene – information evening for parents/carers

As you are aware, the school nurse is coming to talk to Year 6 pupils regarding body changes and personal hygiene.

The school nurse has offered to provide an overview of the talk she will be giving to the children at an information evening for parents/carers on Monday 8 June at 5.30pm. This talk will also give parents an opportunity to discuss aspects of the lesson. Please note this session is **not** for pupils.

Please complete and return the slip below if you wish to attend the information evening.
