## Notices and reminders

In response to requests, for the last two weeks of term, [Herts Catering are introducing an additional cold meal option for our pupils](#). This will include:

- A filled roll/wrap/baguette(eg tuna, ham, cheese, egg)
- A choice of salad/vegetables/crudités
- A choice of desserts

Your child will be able to choose between the normal hot meal options and the cold meal option for the same price of £2.20. Initially the kitchen will prepare a limited number of cold meals for Monday, Tuesday and Thursday lunchtimes and will respond according to the popularity of this choice. As with all the meals produced by our school kitchen the cold meal option will be nutritionally balanced in accordance with government guidelines. If you normally prefer your child to bring a packed lunch from home, perhaps now is the time to see what our school meals have to offer.

You may pay online in advance using our WisePay system or your child may bring in money for their lunch on the day. As usual, they will need to let their teacher know at morning registration that they will be having a school meal.

The Friends of Thomas Coram are running a [refreshment stall for parents on Sports Day](#) and they would welcome contributions of home-made cakes to sell on the day. If you are able to help, please would you bring your contributions into school on the morning of Wednesday 8 July. (Please note that contributions must not contain nuts.) If you have a couple of spare hours and are able to help run the stall, your presence would be very welcome! Please let Mr Roscoe know if you can help out. The Friends are also running a water station for pupils, so the more helpers the better.
