

Monday 29 June 2015

Dear parents/carers

This week is forecast to be an exceptionally hot week with temperatures possibly over 30 degrees for a couple of days.

For the remainder of this week, pupils should not wear their tie, with the exception of Year 6 pupils at Ashlyns School on Thursday. However, at the moment I am expecting to return to ties on Monday 6 July as the outlook for next week is slightly cooler. This Friday's bulletin (3 July) will confirm uniform arrangements for next week.

We will use a different part of the field, to make available our outdoor shady areas at break and lunchtime. We will also provide some indoor options for lunchtime and make available, in addition to each Year group's timetabled day in the LRC, our two air conditioned classrooms.

You can help by ensuring your child has:

- high factor 8-hour sun protection cream applied before coming to school
- a hat with them in school
- a fresh bottle of drinking water every day in school. (Bottles may be refilled during the day from the dining room.)

Our full sun protection guidance is in the Downloads section of our website.

We all want to enjoy the summer weather while it is with us, but also to take care and avoid over exposure or illness.

Yours sincerely

Mr R Halls
Headteacher
