Notices and reminders

On 25 May 2016, the governors approved [a change to our Attendance Policy](#) on the recommendation of Herts County Council. The change regards the issue of penalty notices and reduces the number of sessions (ie half days) from 21 to 15, as follows:

We always strive to work with parents/carers to address attendance and punctuality issues. However if a pupil has at least 15 sessions (ie 15 half days) unauthorised absence in a term (including unauthorised holidays), the Headteacher may ask the Local Authority to issue a penalty notice.

[Governors on our Pupils and Curriculum Committee](#) met in the last week before half term. They looked at how we can keep developing sport for pupils, how we can improve further our links with parents and discussed priorities for 2016-17. Governors will be seeing us in action and joining in lessons at their termly Drop-in Week after half-term.

[A recent incident involving Hertfordshire school girls](#) who filmed and broadcast a seemingly harmless video of themselves from their home address using an app on their mobile phone has highlighted some of the dangers of geo-tagged data. It is believed that unknown viewers of the video not only contacted the girls but also identified the house from where the broadcast was made and potentially followed them. There will be an [open evening at Dacorum Music School](#) on Wednesday 15 June where there will be an opportunity to try different instruments and observe lessons. Please see the attached flier for more details.
