Westfield Primary School
& Nursery
Durrants Lane
Berkhamsted
Herts. HP4 3PJ

Dear Parent / Carer,

The Westfield Primary School Travel Forum are proposing a walk for current Year 6 children to Ashlyns School in preparation for next year.

We would like to invite parents and children across Berkhamsted to join in, and are planning on walking these routes on Saturday 9 July:

Along the High Street as far as Chesham Road, then up to Ashlyns School

From Westfield school area, along Durrants Road, Shrublands, Charles Street, behind Victoria School and up Chesham Road

We would be grateful if you would email the school on the following address to express your interest.

admin@westfieldprimary.herts.sch.uk

and use **Transition Walk** as your subject. Please include your child's name and which school you are from. Also the route/s you are likely to take part in.

Not only will the route be important to work out for the children, but also the length of time it will take.

It would be nice to meet as many families as possible.

If you have any other suggested routes please feel free to let us know and we can try and add these.

We look forward to hearing from you.

Yours sincerely

Jo Turner

On behalf of the Travel Forum
