

27 February 2017

Dear parent/carer

### **Year 3 Science Family Challenge**

The primary schools in our local area are pleased to invite our Year 3 pupils and their families to a brand new Science Learning Challenge, on Monday, 20 March at 4.45pm.

The exciting event will run from 4.45 - 7pm approx. and will be a wonderful opportunity for parents and carers to understand more about what your child has been learning in science throughout the year, with the aid of fun activities and demonstrations. We will also test your trivia with an interactive quiz!

The event will be held at Berkhamsted Girls School, Kings Road.

In order to secure a place, an online form must be completed by Monday 6 March. Enter the following link into your browser or click on the QR code to sign up.

<https://goo.gl/forms/ltBWjwyorS70ctDQ2>

Instructions for the evening will be sent in a confirmation email from Berkhamsted School. Please look carefully in your spam/junk folders if you do not find this email within a week of booking.

Places are limited so be sure to sign up as soon as possible!

We hope to see plenty of you there! There is no charge for this event and light refreshments will be provided.

Yours sincerely

Miss L Williamson  
Science Co-ordinator
