Notices and reminders

Children participating in a residential visit this term ([Year 6 to Devon and Year 4 to Norfolk](#)) were given documents last week which must be fully completed and returned to school no later than Friday 12 May.

We have some complimentary children's ticket for the [Herts County Show](#) to be held on Saturday 27 and Sunday 28 May. Please contact the office if you are interested in having one of these – first come, first served.

Following our successful [visit by the Owls Team](#) last week, photographs of the children will soon be available to distribute to parents. No money should be sent into school until the photographs have been received.

The Blue Whale Challenge is a new internet trend. [Hertfordshire Police have asked schools to raise parents' awareness](#). There have been no reports in Hertfordshire of anyone taking part, but we would advise parents to be vigilant and monitor their children's internet usage. We would also encourage young people to block or not respond to anything online that makes them feel upset, uncomfortable or threatened.

Dear parent/carer

Guinness World Record Attempt

On the morning of Monday 12 June, we are attempting a Guinness World Record.

The record title is: *Most people hopping on one leg simultaneously.*

We will all be taking part and would like to invite you to join this exciting event as well. The current record is 691 so the more participants we have the better. We will be participating along with children, staff, governors and parents from Swing Gate School and Victoria School.

To take part, you need to be able to hop continuously on one leg for at least 10 seconds.

If this is something you can do and would like to join us in our attempt to break the world record, please complete and return the slip below. It is really important to have definite numbers as soon as possible to ensure that we can plan carefully and that our attempt is a success.

Thank you for your support.

Yours sincerely

Mr Phelan
