

4 September 2017

Dear parents, carers and friends

On behalf of the staff and governors, I would like to extend a very warm welcome to all our pupils, their parents and carers, families and friends to The Thomas Coram Church of England School.

It was a pleasure to welcome all our pupils today. Everyone looked very smart and they arrived prepared to learn: our school is already a calm and purposeful place. Learning is the means for us to change our lives for the better. A good education gives us the chance to create better life chances, enjoy more success, live longer as well as provide for a family. I am confident every parent and carer wants these for their child: that, too, is what we are striving for at Thomas Coram.

Today, in our first whole school assembly, we reflected on sowing seeds for the future. We talked about how we can demonstrate generosity, by helping and encouraging the best in each other in all that we do. I would like to assure you that we will be working hard to keep you informed along that journey, working in partnership with you to promote the high standards of learning, behaviour and attitudes expected of our pupils. We welcome your involvement in all aspects of school life and have an active Friends Association, which I would encourage you to support.

The first opportunity to become involved is our Meet the Teacher evening on Monday 11th September at 7pm - I look forward to meeting you then and building a happy and successful relationship over the coming years.

Yours sincerely

Mrs J Cutler
Head of School
