

22 May 2018

Dear parents/carers

On Wednesday 23 May, Year 6 pupils will be given a talk by their teachers about body changes and personal hygiene. The information provided to pupils will be based on the guidance received from Hertfordshire Community NHS Trust. These talks are fairly informal and our aim is to reassure as much as to educate.

Please be kind enough to let us know in writing in their school planner by Wednesday 23 May if you do NOT want your child to participate in the talks.

Yours sincerely

Mr A Phelan Mrs L Briscoe Mrs V Tebby Mrs S Thomson Mrs D Winfrow

Year 6 Teachers
