

11 May 2018

Dear parent/carer

Walk to School Week 21 - 25 May 2018

We are excited to be taking part in Walk to School Week this May.

We would like to encourage all our pupils to try and walk, cycle or scoot to school during this week. If it's not possible to walk all the way, then it would be great if you could park 10 minutes away from school and walk or scoot the last part of your journey. Can we remind you that only pupils in Years 5 & 6 are permitted to cycle to school and we ask that you complete the Cycling to School form which is available in the Downloads section of the school website.

Each class will have a poster of the earth and every time a pupil travels sustainably a sticker goes on the poster. The aim is to take a 'virtual' walk around the earth to help Buster the dinosaur (the Active and Safer Travel Team mascot) walk from one side of the Earth where it is very built up and has lots of vehicles and congestion to the other side of the Earth where children are travelling actively to school by walking, scooting or cycling.

We all know the health benefits of walking so please help us this week to reduce congestion around the school, support children being more active and lower carbon emissions this walk to school week.

Following on from Walk to School Week we will be supporting **Clean Air Day on June 21 2018**. We will send out more information closer to the date.

Yours sincerely

Mrs J Cutler
Head of School
