Dear parent/carers

### **Year 5 Young Voices Concert at the O2**

On Thursday 31 January 2019 Year 5 will be participating, once again, in the Young Voices Concert at the O2. This annual concert is a fantastic once-in-a-lifetime opportunity for the children. They will be singing together with 6,000 other junior school pupils.

Your child(ren) will start to prepare for the concert in the Autumn term: working on songs, words, actions and dance moves.

I hope you will encourage and support your child(ren) to learn these song lyrics as part of their homework. This will help them gain confidence to sing well and really enjoy the day.

More concert & ticketing information will be sent out in September 2018 once we have received further details.

Yours sincerely

Mrs L Briscoe  
Music Co-ordinator
