

14 September 2018

Dear parents and carers

The first two weeks of term have been very busy but all the children have settled quickly into their new classes and are looking forward to the challenges that lie ahead.

It was wonderful to welcome so many of you to our Meet the Teacher evening this week and I would like to thank you for your continued support and interest in your children's education. There will be further opportunities throughout the year for you to become involved in their learning, whether this is a meeting with teachers to discuss their progress or attending one of our workshops.

The beginning of term is always an exciting time and it has been a pleasure to see all your children looking so smart in new uniforms, eager and ready to learn. I have been particularly impressed with their punctuality. Learning is the means for us to change our lives for the better. A good education gives us the chance to create better life chances, enjoy more success, live longer as well as provide for a family. I am confident every parent and carer wants these for their child: that, too, is what we are striving for at Thomas Coram.

I would like to assure you that we will be working hard to keep you informed along that journey, working in partnership with you to promote the high standards of learning, behaviour and attitudes expected of our pupils. We welcome your involvement in all aspects of school life and have an active Friends Association, which I would encourage you to support.

I look forward to building a happy and successful relationship over the coming years.

Yours sincerely

Mrs J Cutler  
Head of School
