Dear parents/carers

I hope you all had a wonderful Christmas and New Year break; the pupils have settled back into the new term with vigour and enthusiasm.

I am writing to inform you of a week's worth of workshops that will be taking place for Year 6 pupils regarding the LGBT community as part of their PSHE curriculum. These will be 30 minute sessions explaining:

- The terminology and meaning behind LGBT
- Demystifying the terms in order to reduce prejudice
- History of activism and its importance
- Understanding that everyone is different but equal

As the children move into secondary school, we believe it is important for them to understand there are people from all walks of life, and that we treat everyone with respect and civility regardless of gender or sexuality. In addition, we feel it is important for everyone to feel happy and safe with whoever they are.

If you are seeking extra information regarding any of the topics we will be covering, please visit the Stonewall or GLAAD websites.

As always, we greatly appreciate your support with the education of your children.

Yours sincerely

Mr A Phelan
Assistant Head UKS2
