Dear parents/carers

You may have heard that Furlanesend Community Primary School, in the south west of England, has decided not to sell or wear red noses for Comic Relief this year as the noses are made from a form of plastic which will eventually end up in landfill or in the environment. Moreover, Comic Relief only receives 65p out of every £1.25 – the retail cost of a red nose.

As a school, we are working to raise the profile of the environment within our community and as such we have decided to show our support for this initiative.

As we mentioned in our bulletin last week, this Friday (15 March) children may wear something red (along with school uniform) in exchange for a £1 donation to Comic Relief– this might be a hair band, socks or another accessory.

As a school, we shall be participating in the Great British Spring Clean; do look out for further information about this in our weekly bulletin and talk to your child(ren) about the reason behind these initiatives.

Yours sincerely

Mrs J Cutler
Head of School
