Notices and reminders

This week, our whole school worships have been led by Olivia and 4KD. As part of our theme on the value of Justice, we have been reflecting on God's love in action. Olivia helped us to think about how we can look after the world God created. We decided to show how we value the environment by not wearing red noses on Red Nose Day, as the plastic noses cannot be recycled. 4KD's worship celebrated the work of Comic Relief, reinforcing how God's idea of justice is to make everyone equal in his kingdom and that we should be thankful for God's generosity.

Our pupils have been very busy in the sporting arena this week. Last Saturday, children from across the school took part in a cross country competition at Bridgewater school. Our Year 6 boys team won gold medals, our Year 3 boys and Year 3 girls teams won silver medals and our Year 5 boys team won bronze medals. A group of Year 3 and Year 4 pupils entered the gymnastics competition at JFK school organised by the Dacorum Schools Sports Network. The children had to perform a floor routine together followed by an individual vault. We are delighted that they won the overall team competition, earning a gold medal.

Thank you to those parents/carers who have already attended our parent consultations. Our final consultation evenings take place on Tuesday 19 and Thursday 21 March. Please take up this opportunity to discuss your child(ren)'s progress with their class teacher and Maths teacher. If you are unable to attend on these dates, please contact the school office or speak to your child's class teacher to arrange a convenient time after pick up at the end of the school day.
